Covenant Corner

Resident Architectural Committee (RAC) approval is required for exterior alterations to your property. RAC meets the first and third Thursday of each month. The next deadline for "Exterior Alteration" applications is **December 16** for **January 8th** RAC meeting.

Applications listed below will be reviewed on **December 18th RAC meeting.**

OMCA's Web site:

LEAF RAKING

Even though oak leaves are a part of Oakland Mills, raking them and all other leaves when they fall is a required maintenance covenant. Remember to bag leaves and put them out on recycling day. Do not rake leaves into the street. Thanks for keeping your yards and your sidewalks raked. Don't worry; soon you will only have to shovel snow.
